

10 Guiding Principles for Leadership Conversations

As Leadership Fellows of St George's House, Windsor Castle we share our most difficult leadership challenges with each other through Leadership Conversations.

We explore ways of becoming better leaders through nurturing each other's wisdom within a circle of trust.

We commit to the following Guiding Principles:

- 1 We are **fully present**
- 2 We **assume the best** of each other
- 3 We seek to **connect not convince**
- 4 We are **open to being vulnerable** as we share our own story
- 5 We **draw on our curiosity** in engaging with other Fellows' stories
- 6 We are **open to feeling uncomfortable** in taking risks with ideas
- 7 We **draw on our courage** in achieving breakthroughs in thinking
- 8 We **welcome feedback** about our own development as leaders
- 9 We are **careful not to take on anyone else's "stuff"**
- 10 **Who said what stays in the room**
