

## Guiding Principles for Leadership Conversations

As Leadership Fellows of St George's House, Windsor Castle we support each other in becoming better leaders through nurturing each other's wisdom.

We have developed these Guiding Principles to generate exceptional levels of openness and trust whenever we work together in Leadership Conversations:

**We are fully present**

**We take risks with ideas**

**We are passionately curious**

**We welcome peer feedback**

**We seek to connect not convince**

**We are open to feeling uncomfortable**

**Who said what stays in the room**
