

Guiding Principles for Leadership Conversations

As Leadership Fellows of St George's House, Windsor Castle we support each other in becoming better leaders through nurturing each other's wisdom.

We have developed the following Guiding Principles to generate exceptionally high levels of openness and trust among ourselves whenever we work together in Leadership Conversations:

We are fully present

We challenge our own assumptions

We seek to connect not convince

We are constantly curious

We are open to feeling uncomfortable

We welcome peer feedback

We do not pitch for business

Who said what stays in the room

We share our leadership challenges on WhatsApp
