

# LEVELLING UP GOALS

## **1. Strong foundations in Early Years**

Close the early years development gap by delivering the best possible start for every child.

## **2. Successful school years**

Every child successfully achieving their potential in attainment and development.

## **3. Positive destinations Post 16+**

Every young person and adult to have the choice of a high quality route in education, employment or training.

## **4. Right advice and experiences**

Access to the right advice and experiences at the right time to unlock opportunity throughout a person's life.

## **5. Open recruitment**

Careers and professions open to people of all backgrounds through transparent, accessible and open recruitment practices

## **6. Fair career progression**

Opportunities for career advancement for all based on ability and potential, not connections.

## **7. Widening access to savings & credit**

Widening access to responsible credit and closing the savings gap.

## **8. Good health and well-being**

Improving mental and physical health at all ages to boost overall well-being to allow people to fulfil their potential.

## **9. Extending enterprise**

Extending private enterprise and entrepreneurship to all people and communities

## **10. Closing the digital divide**

Closing the divide in technology access, skills, opportunities and infrastructure.

## **11. Infrastructure for opportunity**

Developing the physical infrastructure that connects people and places to opportunity.

## **12. Building homes & sustainable communities**

Creating affordable quality homes so people can live in safe and sustainable communities.

## **13. Harness the energy transition**

Ensure that the energy transition is fair and creates opportunities across the UK.

## **14. Achieve equality, through diversity & inclusion**

Creating a level playing field on opportunity for all, to fully unleash Britain's potential for the first time.
